

Q:

Is there any significant change in the country in last two years? If so, what are they?

A:

[Translated] I think so. According to the mass media and all these newspapers there's a huge development process going on in the Northern area. Government is reconstructing all these destroyed things .So I think there is a significant development after the war.

Q:

What do you think about the development process in the war-tone areas after the end of the war?

A:

[Translated] My son is working in the northern part of the country. So I have a very good idea about what government doing there. It's wonderful that government is doing a great job there .Most of the buildings were reconstructed. I'm so happy about it.
