

# China helps in speeding Uthuru Wasanthaya

The machinery was purchased in order to speed up the ongoing development programmes in the Northern Province of the country under the 180 day development project "Uthuru Wasanthaya". The machinery was handed over the head of the Uthuru Wasanthaya Task Force, Senior Presidential Advisor and Parliamentarian Basil Rajapaksa by the Chinese Ambassador Yang Xiu Ping at Galle Face Colombo yesterday (28).

The Chinese government has facilitated the Sri Lankan government to purchase the equipment provided with a Rs. 2049 million loan on concession rate.

MP Basil Rajapaksa, Defence Secretary Gotabaya Rajapaksa, Minister of Resettlement Rishard Badurdeen, Governor of Northern

Province Maj. Gen Chandrasiri, Secretary to the Ministry of Highways and Road Development Admiral Wasantha Karannagoda and Commander of the Army Lt. Gen Jagath Jayasooriya also participated in the occasion.
